October 11th 2018

Dear parents and guardians,

The PTA's Annual General Meeting was held at the school on October 10th. Unfortunately very few parents and carers attended. Due to this, it was not possible to elect people to the various roles and there is a danger that the PTA will have to be disbanded.

The school has always had a PTA and it has played a vital role in the development of the school. As well as developing community spirit within the school it has played a vital role in raising funds to buy extra resources and to pay for things like buses for educational and cinema visits. At a time when there are annual cuts to school budgets, the fundraising work of the PTA is invaluable.

Due to legalities with the Charity Commission we are now under time constraint. I am therefore proposing one more meeting before I inform the Charity Commission that there is no longer a PTA. The meeting has been planned for **Wednesday 7th November 2018 at 18:00** at the school. You are welcome to bring your children if it helps with childcare – just remember to bring a colouring book and a few pencils / toys and we will set up a small area for them.

If you would like to see the PTA continuing, I encourage you to please try and attend this meeting, the PTA directly benefits your children and their experience through school. There is more information available on www.pta.co.uk and with this letter there is some information regarding the roles that are needed to be filled for a committee such as a PTA one to be able to run.

Thank you,

Osian Jones
