

Annwyl Rieni

Gan fod y tywydd wedi gwella yn ystod y diwrnodau olaf yma, a wnewch chi ofalu fod eich plentyn yn cael potel ddwr a het haul i ddod i'r ysgol os gwelwch yn dda. Cawn ddod a'r botel adref gyda nhw pob nos er mwyn golchi, ond, os ydy hi'n bosib, mi fyddai yn fwy hwylus i'ch plentyn adael yr het yn yr ysgol drwy'r amser.

Hefyd, hoffwn eich atgoffa am bolisi'r ysgol ynglŷn â'r defnydd o eli haul. Ni fydd athrawon yn rhoi eli haul ar blant a hynny am y rheswm syml nad yw'r amser ganddynt i roi eli haul ar i fyny at 30 o blant cyn iddynt fynd allan bob amser chwarae. Mae rhai o blant yr ysgol yn ddigon abl i roddi'r eli haul ymlaen eu hunain ond gyda'r plant ieuengaf rydym yn argymhell i'r rhieni i roi'r eli haul 12 awr arnynt cyn iddynt ddod i'r ysgol. Ar ddyddiau poeth iawn bydd yr athrawon yn annog y plant i fynd i'r cysgod.

MI FYDD ANGEN ENW EICH PLENTYN AR POB EITEM.

Dear Parents

Dear Parents

As the weather has improved in the last few days, will you please make sure that your child brings a water bottle and a sun hat to school. They may take the bottle home every night for washing, but if possible, it would be better for your child to leave the hat in school at all times as the weather is so unpredictable.

Also, I would like to remind you of the school's policy on administering sun cream. No staff member will be administering sun cream simply because they have not got the time to put cream on up 30 children before they go out each playtime. Some of the children are able to put on the sun cream themselves but with the younger pupils we advise all parents to put the 12-hour sun cream on them before they come to school. On hot days the staff will encourage the children to go the shaded parts of the yard.

EACH ITEM SHOULD BE MARKED CLEARLY WITH YOUR CHILD'S NAME
