DOSBARTH DRYW A PIODEN

CYLCHLYTHYR

Croeso Cynnes!

Plant newydd y Meithrin

Croeso cynnes i'r plant newydd yr ysgol. Mae'r disgyblion yn ymgartrefu'n dda ac yn mwynhau'r cyfle i ddod i adnabod ei gilydd yn ogystal â'r ysgol. Hyfryd yw eu gweld yn cyrraedd yn hapus bob bore, gan feithrin hyder ac annibyniaeth o wythnos i wythnos!

Thema : Llwybrau

Fel rhan o'n thema ar Lwybrau, rydym wedi mwynhau gwrando ar stori *Y Tren Mawr Glas*. Yn deillio o hyn, rydym wedi penderfynu dysgu am wahanol fathau o drafnidiaeth y tymor yma.
Yr wythnos hon cawsom brofiad o gasglu data am liwiau'r ceir a basiodd yr ysgol. Byddwn yn trafod y data ac yn ceisio gwneud pictogramau i ddangos ein canfyddiadau.

Tyfu Tatws!

Yn nhymor y gwanwyn, bu disgyblion Pioden a Dryw yn brysur yn plannu tatws. Roedden ni i gyd yn gyffrous iawn wrth gyrraedd yn ôl ar ôl yr haf i weld fod y tatws yn barod i'w codi! Cawsom domen fawr o datws, ac roedd pob disgybl wedi gwirioni ar y profiad o'u tyrchu. Yn dilyn hyn, cawsom gyfle i greu salad tatws blasus drwy dorri a blasu'r tatws hyfryd. Mae'r disgyblion wedi dangos diddordeb mawr mewn plannu rhagor o lysiau y flwyddyn nesaf!

NEWSLETTER

A Warm Welcome!

Our New Nursery Children

A warm welcome to the new nursery children The pupils are settling in well and are enjoying the opportunity to get to know each other as well as the school. It is wonderful to see them arriving happily every morning, growing in confidence and independence week by week!

Theme: Pathways

As part of our theme on Pathways, the children enjoyed listening to the delightful story Y Tren Mawr Glas. Inspired by this story, they have expressed an interest in learning about different types of transport this term. This week, they had the opportunity to collect data on the colours of the cars that passed the school. We will be discussing the data together and creating pictograms to show our findings.

Growing Potatoes

During the spring term, the pupils of Pioden and Dryw planted potatoes in their outdoor spaces. We were all thrilled to return after the summer and discover that the potatoes were ready for harvest! The children had a fantastic time digging up a big pile of potatoes, and everyone got involved in the excitement. Afterwards, we turned our harvest into a delicious potato salad, chopping and tasting the fresh, homegrown potatoes. The pupils showed great enthusiasm throughout the activity and are already looking forward to planting more vegetables next year!
