Thema newydd!

Rydym wedi mwynhau dysgu mwy am 'Ein Milltir Sgwâr' o fewn ein thema newydd sbon. Mae'r plant wedi derbyn ystod o brofiadau diddorol ac wedi mwynhau clywed am hanes Stori Brymbo, hanes y Clwb Pêl Droed Wreccsam ac am y byd natur leol- heddiw ac amser maith yn ôl.

Diolchgarwch

Rydym wedi bod yn dysgu am Ddiolchgarwch a'r cynhaeaf dros yr wythnosau diwethaf. Rydym wedi trafod pwysigrwydd dweud 'diolch' a gwerthfawrogi popeth sydd gennym, yn enwedig y bwyd blasus caiff ei dyfu gan y ffermwyr pwysig sy'n gweithio mor galed!

Cledwyn the Tortoise

Cledwyn the tortoise has joined the Bro Alun family this year! The children have enjoyed caring for Cled and learning more about him across all areas of learning Before long. Cled will begin hibernating over the winter months. Bye for now Cled!

Clubs

Dosbarth Colomen have enjoyed their weekly tennis lessons in the tennis centre this half term. Everyone has also enjoyed our singing lessons by Mr Hardwick, which are always so much fun!

New topic!

We have all enjoyed learning more about 'Our Local Area' as part of our new topic. The children have received a vast amount of experiecnes and have enjoyed hearing all about Story Brymbo, the history of our football club and all about the nature of our local area- today and long, long ago!

A big thanks to you all for coming to our open day to see all of our work so far and to celebrate harvest with us.

Harvest

We have been learning all about Harvest over the past few weeks. We have discussed the importance of saying 'thank you' and appreciating everything we have, especially the delicious food grown by all of the hard working farmers
